In terms of KNOWLEDGE				
SS1A_W01	Knows the methods and tools of research, including the techniques of data gathering and information retrieval appropriate in the social sciences, with an emphasis on political science, economics, and security science. Understands the need to use different methods and techniques depending on the specificities of the research processes, institutions and phenomena.	P6U_W	P6S_WG	P6S_WG
SS1A_W02	Knows the basic standards and is able to explain the essential factors influencing international policy of the Scandinavian countries (legal, moral, organisational, ideological).	P6U_W	P6S_WG P6S_WK	P6S_WG
SS1A_W03	Can identify and explain the basic economic concepts and processes at the micro- and macro scales (economic policies, economic determinants of state's position in the international arena, economic rights).	P6U_W	P6S_WG P6S_WK	P6S_WK
SS1A_W04	Has basic knowledge about the Nordic countries as active actors on the international relations scene, their interstate and international relations. Knows the	P6U_W	P6S_WG P6S_WK	P6S_WG

	conditions and mechanisms of institutionalisation, integration and regionalisation processes, whose participants are the Scandinavian states.			
SS1A_W05	Has essential knowledge about the geographical, cultural, ethnic and religious diversity of the Scandinavian countries. Can fully describe the cultural life of the Scandinavian region (called Norden).	P6U_W	P6S_WG	P6S_WG
SS1A_W06	Has basic knowledge about the instruments, organisational structures as well as about the governance and the economy of the Scandinavian countries. Has well-established knowledge about the organisation of the state, its responsibilities, functions and institutions (political, economic, legal, cultural).	P6U_W	P6S_WG P6S_WK	P6S_WG
SS1A_W07	Understands the concept and substance of security in each of the Nordic countries (subjective and objective dimensions of safety/security, risks and challenges, objectives of national security policies). Understands the complexity of the situations occurring and circumstances (geographical, economic, ecological, technological, organisational, moral, social) of the Scandinavian states' security systems.	P6U_W	P6S_WG P6S_WK	P6S_WG
SS1A_W08	Knows the role and position of each of the Nordic countries in the framework of international security systems (European Union, NATO, the OSCE, the UN, regional systems).	P6U_W	P6S_WG	P6S_WG
SS1A_W09	Can identify and describe the main directions of the transformations taking place in the modern world (including the processes of globalisation, the development of the information society, processes of integration and disintegration of political and economic structure, as well as the interpenetration of cultures).	P6U_W	P6S_WG P6S_WK	P6S_WG
SS1A_W10	Understands the complexity and problems of team management and institutions in society. Has a basic knowledge about the procedures, rules and methods of accomplishing the tasks in the framework of states and economic organisations.	P6U_W	P6S_WG P6S_WK	P6S_WG
SS1A_W11	Knows and understands the crucial concepts and standards of protection of intellectual property and copyright.	P6U_W	P6S_WK	P6S_WK
SS1A_W12	Has the necessary knowledge to initiate and conduct efficient activity of economic nature. Has a basic knowledge about the Scandinavian companies and entrepreneurship in the Nordic states.	P6U_W	P6S_WG P6S_WK	P6S_WK
SS1A_W13	Understands the role of the media as well as the promotional and advertising activities in the communication process between the political authorities, subjects of social life, businesses and citizens. Knows and understands the mechanisms and rules of social communication strategy.	P6U_W	P6S_WG P6S_WK	P6S_WG

SS1A_W14	Has a crucial knowledge about the dynamics of social structures and processes occurring within them. Can competently explain the culturo-civilisational and socio-economic interactions occurring within Scandinavian societies.	P6U_W	P6S_WG P6S_WK	P6S_WG
SS1A_W15	Understands the importance of rational, sustainable use of natural resources as well as the need to protect the ecosystems of Northern Europa and Arctic for the security and development of regional communities.	P6U_W	P6S_WG	P6S_WG
In terms of SKILLS				
SS1A_U01	Knows how to use theoretical knowledge and basic research methods to analyse, interpret and evaluate chosen phenomena and processes taking place in the Scandinavian countries, and express her/his own opinions and judgments. Can scientifically analyse and interpret selected decisions and actions of the Scandinavian states' actors (both internally and internationally).	P6U_U	P6S_UW P6S_UK P6S_UO	P6S_UW
SS1A_U02	Can identify and point out various development trends to assess the potential risks and international security challenges.	P6U_U	P6S_UW	P6S_UW
SS1A_U03	Can communicate in a social group, uses appropriate verbal and nonverbal messages in interpersonal relations and negotiations. Can communicate using a variety of communication channels.	P6U_U	P6S_UK	P6S_UW
SS1A_U04	Can perceive politics as a social phenomenon by identifying the sources of key political and economic processes, important social phenomena and conditions. Can assess the impact of the global economic situation on the social, economic and political conditions of Scandinavian countries.	P6U_U	P6S_UW	P6S_UW
SS1A_U05	Has the ability to prepare written statements on the issues of internal and international policies of Scandinavian states, their economical functioning and the social processes taking place in their territories. Can argue in a substantial manner by using her/his own scientific knowledge; can formulate a synthetic statement and conclusions.	P6U_U	P6S_UK	P6S_UW
SS1A_U06	Can carry on a conversation about the nature of bilateral and multilateral negotiations in the business and diplomacy, as well as in the multinational and multicultural environment. Has the ability to speak out on issues about security, politics, economics and international relations.	P6U_U	P6S_UK	P6S_UW
SS1A_U07	Can analyse specific problems or challenges related to domestic politics, foreign policy or economic policy of the Scandinavian countries, and identify the optimal solutions.	P6U_U	P6S_UW P6S_UO P6S_UU	P6S_UW
SS1A_U08	Is able to gain knowledge and expand her/his research skills. Has the ability to integrate knowledge from different	P6U_U	P6S_UO P6S_UU	P6S_UW

	disciplines within the field of social sciences.			
SS1A_U09	Properly refers to the normative systems as well as selected standards and rules (legal, professional, ethical) in the field of organisational management.	P6U_U	P6S_UO P6S_UU	P6S_UW
SS1A_U10	Is able to identify and analyse the specific problems affecting the functioning of state institutions, businesses, social actors as well as to propose and implement appropriate solutions to these problems. Properly assesses and verifies the relevance of the different working methods, procedures, and good practices to accomplish tasks and solve problems related to the media, as well as political, cultural and economic activities.	P6U_U	P6S_UO P6S_UU	P6S_UW
SS1A_U11	Is able to use of at least one Scandinavian language at <i>a level</i> corresponding to A1 (European Reference for Languages) and English at a level corresponding to B2 (European Reference for Languages).	P6U_U	P6S_UK	P6S_UW
SS1A_U12	Can interact in a group: both in the execution of assigned tasks or as a leader.	P6U_U	P6S_UO	P6S_UW
In terms of SOCIAL COMPETENCIES				
SS1A_K01	Is aware of the importance of professional activities for the planning or implementation of professional projects. Can properly choose priorities in the implementation of specified professional tasks or public activity assigned by others or by her-/himself.	P6U_K	P6S_KK P6S_KO P6S_KR	
SS1A_K02	Understands the need and obligation to cooperate with other people. Can develop positive inter-relationships with others.	P6U_K	P6S_KO P6S_KR	
SS1A_K03	Recognizes the importance of democratic values and is aware of the need to take active citizenship forward.	P6U_K	P6S_KK P6S_KO	
SS1A_K04	Is aware of the importance of ethical behaviour in the execution of her/his responsibilities and professional duties. Understands the importance of respect of rights in the modern societies.	P6U_K	P6S_KR	
SS1A_K05	Is aware of the phenomenon of multiculturalism and respects the following principles: respect for diversity, equal opportunities and tolerance.	P6U_K	P6S_KO
