   …………………………………………………………………………………………………
   …………………………………………………

7. Anticipated impact (influence) of the implemented activity on the socio-economic environment (range and significance, area, scope and object of influence, max. 4500 characters):
   …………………………………………………………………………………………………
   …………………………………………………………………………………………………
   …………………………………………………………………………………………………
   …………………………………………………………………………………………………
   …………………………………………………

8. Planned financial outlays with their justification:

No.	Type	Amount	
		…..…… (year)	……… (year)
1.	Salaries (civil law contracts)		
Justification:			
2.	Computer hardware, equipment and software (fixed assets with a value of > PLN 1000)		
Justification:			
3.	Purchase of materials:		
Justification:			
4.	External services:		
Justification:			
5.	Business trips:		
Justification:			
6.	Other costs:		
Justification:			
TOTAL:			

FORMAL EVALUATION:

The application meets/does not meet** the
formal requirements

……….…………………………………………..
(date and signature of the Institute Director/Chair Head/
Vice-Rector in charge of Science)

EVALUATION OF THE ACADEMIC COUNCIL/CHAIR COUNCIL/VICE-RECTOR IN CHARGE OF SCIENCE:

The Council (Vice-Rector) recommends/ does not recommend** funding;

Council's Comments
………………………………………………………………………………………………………
………………………………………………………………………………………………………
………………………………………………………………………………………………………
………………………………………………………………………………………………………

…………………………………………………………
(signature of the Academic Council/ Chair Council
Chairperson / Vice-Rector in charge of Science)

* indicate the discipline (according to the submitted declaration) in which the test results will be published
** delete as appropriate
